VALUABLE FARM PROPERTY FOR SALE.

Property is located only about one and one-quarter miles from the city and near school. This is one of the best properties in the vicinity to make money on. Owing to its location, the highest prices are always realized from the produce. The income from the dairy alone exceeds \$2,000.00. With the farm will be sold all the personal property, including stock, tools and produce. There is probably over \$3,000.00 worth of personal property on the place. Good apple orchard, also a large sugar orchard. This property has to be seen to be appreciated and will not remain on the market long at the price we offer it, which is \$7,000.00. Among the recent contributions to the Billings library which is connected with the University of Vermont, Burlington, is a set of nine books of a special edition of the Odes and Epodes of Horace, published by the Bibliophile Society. Mrs. Charles A. Hoyt, wife of the late Charles A. Hoyt, class of '88, is the donor.

The Rev. G. W. Morrow of Burlington, superintendent of the Vermont Anti-Slavery League, left Tuesday for Columbus, Ohio, where he will remain for ten days in attendance at the American Anti-Slavery League convention. He will go from there to St. Louis and thence to his old home in Illinois. He will return in time to speak at Whitehall, N. Y., November 27. The Rev. W. A. Kinzie of Barre will also attend the convention of the American League.

Mr. Smith, who is 92 years old, cast his first vote for Henry Clay the Whig candidate, in 1852. P. S. Grow of Bristol, who is 92 years old, went to the polls and voted the Republican ticket. The funeral of Leon Tyler, son of Mr. and Mrs. W. Tyler of Randolph, who so sadly ended his life by shooting himself last Monday, was held at the house on School street Wednesday afternoon. The Rev. Samuel Knowles, pastor of the Baptist church, was the officiating clergyman and he spoke very touchingly on the sadness of the event, its effect on a young and ambitious person and how many times the discouragement of life is measured by the keenness of ambition. During the service two selections were rendered by the Baptist male quartette. Interment was made in the Southview cemetery.

A Profitable Piece of Land.

"Does Farming Pay?" is answered in the affirmative by S. B. Woodworth and attested by the large amount of crops he has just finished harvesting. Mr. Woodworth has one acre of tillable land at his home on the East Poultry road, and with the limited time he has for attending to it he believes that his labors have been fairly successful. Beside a liberal quantity of early garden truck, such as peas, string beans, radishes, lettuce, etc., he has gathered fifteen bushels of potatoes, three bushels of carrots, one hundred head of marketable cabbage, beside parsley, turnips, etc. Several fruit trees, pear, cherry, and plum, have borne abundantly and eleven barrels of apples have been laid away for winter use.

NIP IT IN THE BUD.

First Appearance of Dandruff a Forerunner of Future Baldness.

That such is the case has been conclusively proven by scientific research. Prof. Unna, the noted European skin specialist, declares that dandruff is the burrowed-up cuticle of the scalp, caused by parasites destroying the vitality in the hair bulb. The hair becomes lifeless, and, in time, falls out. This can be prevented.

Newbro's Herpicide kills this dandruff germ, and restores the hair to its natural softness and abundance.

Herpicide is now used by thousands of people—all satisfied that it is the most wonderful hair preparation on the market to-day.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
